FN INSTRUCTION FOR USERS[illegible]

The Institute **plans** to **research** into **aggravated risk of injury** from falling objects and **evaluating** when users in industrial and commercial environments **face** potential **hazards** **as well as** the following **potential** **risks** **and** **also** **identify** additional protection.

INSTRUCTION FOR USERS [illegible]

It is important that the business selected for sale must be suitable for the protection required and, one understands, there is a
 environment is not known, it is very important that consultation is carried out, between the seller and the purchaser is aware, at
 possible, the same business is provided.
 Very important. No share cannot be modified.

INSTRUCTION FOR USERS

QUESTIONS AND ANSWERS

QUESTION: I have a question about the use of the term "business" in the definition of "business opportunity." The definition states that a business opportunity is a right to sell or lease a business. I am not sure if the term "business" is defined in the Act. I would appreciate your response.

ANSWER: The term "business" is not defined in the Act. However, the term "business" is defined in the Uniform Commercial Code (UCC) as "any activity, whether or not for profit, which involves the sale of goods or services." The UCC is a model law that has been adopted by all 50 states and the District of Columbia. The UCC is a model law that has been adopted by all 50 states and the District of Columbia.
